

Multiply

Have confidence in your Maths skills!

- Do you say, 'I've never been any good at maths'?
- Do you hide when asked to help with your children's maths homework?
- Do you ask someone else to check your adding up?

Let us support you to develop your maths skills so you feel able to:

- Question when you think you're paying too much.
- Ask your child if they need help with their homework.
- Know what a 20% discount is on your purchase.
- Apply for that next level job because you know you can do it.

Come to a 2-hour Taster session with our supportive, friendly, and encouraging tutors and find out that: **Maths is for you!**

Date: Wednesday 30th August

Time: 10am – 12pm

The Cube

Adult Education Centre
