TOWN MAYOR 2020 - 2021

I was truly honoured to have been elected Town Mayor for the municipal year 2020/21 and it is an honour to be able to represent my hometown to the best of my ability. Little was I nor the community at large to realise the long-term impact the Covid-19 pandemic was going to have on our daily lives and duties.

I was extremely proud to be taking on the role after the excellent work of my predecessor, Cllr Jackie Meade, hoping to continue building our links with all communities, charities and organisations across the town. But unfortunately, the restrictions meant my opportunities were limited. Like everyone, we faced a year of social distancing, remote meetings and having to cancel long-held traditions and plans.

My first duties thankfully allowed my household to take part, so as a family we were able to lay wreaths on behalf of the Town Council and town residents for Normandy Veterans Day and William Harvey Sunday.

Unfortunately, our Canada Day, Armed Forces Day, VJ Day, Remembrance Day and all public memorial services continued to be impacted by restrictions. It was hard not to be able to hold our commemorations in standing with tradition. However, my duty to public safety was imperative.

My first meeting with people outside of my own household was not until August, when I received an invitation to join Pastor Abi and the community of The Redeemed Christian Church of God. It was a wonderful opportunity to promote our diversity and celebrate the collaborative works within our vulnerable communities. Highlighting the importance of tolerance, social cohesion and respect as the church and wider community had been subjected to racial abuse, hate crime and criminal damage.

Also, in August I was able to visit with the Folkestone Community Hub at Three Hills, to meet the amazing team of volunteers who had come together to support our vulnerable and shielding residents during the lockdown, I was so impressed, I signed up as a volunteer.

During the year I've been so pleased to have worked alongside the Folkestone Museum, with videos on our favourite collections, the opening of the David Railton Exhibition and joining excellent Zoom events laid on by the Friends of the Folkestone Museum.

I had the extreme honour of welcoming and hosting the Ambassador of Nepal, His Excellency Dr. Durga Subedi, and Mrs Subedi on their farewell tour before they departed for Nepal.

I, with Bella, my dog, took part in The Big Sleep Out, building and sleeping in a temporary structure overnight, in order to raise awareness of homelessness and funds for the Rainbow Centre's Winter Shelter.

Through the support of the Town Clerk, Officers, Councillors, local volunteers and businesses we were able to help provide support for vulnerable families with The Mayor's Packed Lunch Scheme. This developed further and during the two week Christmas period, with the support of The Three Hills, we provided local families hot meals and Christmas presents.

It's been an incredible time; I can only imagine how different the year could have been if circumstances had been different. However, I hope during my limited time and ability, I have been able to represent my hometown of Folkestone honourably.

THE TOWN COUNCIL'S MISSION

THE TOWN COUNCIL'S MISSION

The theme for this review and our mission for the future is:

“To revitalise our town of Folkestone, restore civic pride and regenerate a community spirit.”

We aim to do this by:

- *Improving the appearance and quality of the environment in which we live*
- *Encouraging a greater participation in the governance of our town by all sectors of society*
- *Working in partnership with Folkestone and Hythe District Council, Kent County Council and other organisations to improve the public services in the town*
- *Working in partnership with the business and leisure communities to improve the experience of our visitors and thereby encourage the growth of tourism*
- *Supporting the work of community groups and voluntary organisations with grant aid and co-ordinating their activities to improve the social fabric of our community*
- *Working in partnership with Folkestone and Hythe District Council's Crime and Disorder Reduction Partnership to reduce the level of crime and anti-social behaviour in the town and encouraging the socially excluded back into the fold*
- *Sustaining the principals of “Quality Gold Council” status, following accreditation*

Community Services Committee

Due to the unprecedented nature of the global pandemic the number of formal Committee meetings were reduced compared to the standard number in previous years. The Committee met on three occasions, all of them remotely via Zoom. The following working groups were approved including Community Events (Volunteers), Museum Ambassadors, Environment (Champions) and Heritage Boards.

Due to Covid restrictions and in compliance with legislation it was resolved that no events would be organized by FTC in this financial year, but that Christmas lights and Christmas trees were to be displayed to celebrate Christmas. We continued to support the tree planting schedule and work with the County Council Tree Officer to improve the look of the Town by increasing the number of trees.

In light of the increased unemployment and precarious situation for many families in Folkestone, Councillors in collaboration with the Mayor raised money through member ward grants to help to provide free packed lunches for Folkestone children over the October half term. In a further emergency meeting the committee helped to raise further moneys to buy and to distribute toys to disadvantage children in the town.

The Environment Champion working group recommended Council create a new Environment Committee which would encompass some of the current remit of Community Services. The final decision about the makeup of the group, the frequency and the scope of the new Committee has yet to be ratified at the next Full Council meeting.

Our commendations and appreciation go to all of the Officers of the Town Council who have continued with their sterling efforts despite the ongoing tribulations that the pandemic has caused.

Councillor Abena Akuffo-Kelly
Chairman

Committee Members 2020/21: Councillors Belinda Walker, Paul Bingham, Jonathan Graham, Abena Akuffo-Kelly, Michelle Keutenius, Roger West, Ann Berry and Peter Gane.

Planning Committee

The Coronavirus pandemic hugely affected how Folkestone Town Council could meet as an administrative body and it was problematic for the Committee's also, including the Planning Committee which ordinarily would meet every 3rd Thursday.

It was resolved that a Planning list would be emailed out at the start of each week for Councillors to reflect over and give their decisions by return of email at the end of the week, once the decisions were combined, comments have been submitted to the District Council under the Town Clerks Scheme of Delegation.

It was felt most applications were not objectionable and therefore a formal Zoom meeting could be scheduled for any more contentious applications if any Councillors felt there was a need for debate. Typical applications were for small works, extensions, renovations, new double glazing etc and most members of the Committee are usually happy to give consent as long as the building/alteration is in keeping with its neighbourhood and it doesn't have an adverse response from its neighbours.

Much of the new developments were aimed at the 'luxury' end of the market with no major projects meeting the need for affordable housing (renting or buying).

The Committee as a whole were united when it came to 'green' initiatives, being positive to applications that were environmentally friendly and where trees were absolutely required to be removed it was requested that replacements be planted.

Councillor David Horton
Chairman

Finance and General Purposes Committee

This is the end of the second financial year of this administration. There have been four Committee meetings during the past year. The F&GP Committee plays an important role within the Council. We work towards the finance and budgeting on behalf of taxpayers and this year that has been a mammoth task. The budget is presented each year to the whole Council for approval.

I would like to take this opportunity to thank my colleagues on the Committee for their hard work and to our Officers who present and maintain the budget on behalf of the Town Council, this year they have maintained their professionalism during a time of unprecedented uncertainty. As a Council we strive to keep the precepts as low as possible while maintaining and taking on new assets for the town as you may remember from last year report we were in the process of taking on some play Parks from FHDC to FTC this is now completed. Working with FHDC and others in partnerships, we are talking about working together to achieve a strong and vibrant town.

I would personally like to thank the Town Clerk and Finance Officer for all their help, support and hard work. Their diligence in ensuring the Councils finances are healthy, maintaining documents and meeting audit standards. I especially want to thank them both for the help and advice they have personally given me.

Councillor Nicola Keen
Chairman

Committee Membership 2020/21: Councillors Jackie Meade, Ray Field, Nicola Keen, Connor McConville, Paul Bingham, Peter Gane, Dylan Jeffrey, Mary Lawes and Tim Prater.

Personnel Sub-Committee

Goodness what a year, one that the country has not seen the like of for 103 years.

During 2020-2021, the Personnel Sub-committee met three times.

The Sub-committee continued to review and extended the Council's HR policies in consultation with the Town Clerk and Officers.

The Personnel Sub-committee wish to extend their thanks to our team of loyal and dedicated Officers, who during this difficult time and working remotely in line with national government guidance, have continued to serve the town and go above and beyond to provide the town and Councillors with a gold star service and who under the Town Clerk's excellent leadership, work tirelessly to achieve the many and varied aims and objectives detailed in Councils adopted Corporate Plan.

As I am sure all Councillors will agree the Town Clerk and her team have made this difficult time more manageable by enabling us to continue on with 'business as usual' by arranging and managing virtual committees, supporting the Mayor and by keeping all of the balls in the air, they have been, and I know will continue to be amazing.

Our hope in the coming year is that you are all once again able to visit the Town Hall and our Museum where nothing is ever too much trouble and advice is freely given, thus enabling our Town Council to continue to grow and provide a first-class service to our residents and visitors alike.

Councillor Nicola Keen
Chairman

Grants Committee

Due to the pandemic, we have been unable to meet in person, but we have had regular Zoom meetings.

In total just over £19,000 was spent on town grants this year as £10,000 was set aside to support local businesses & organisations struggling with the Covid Pandemic.

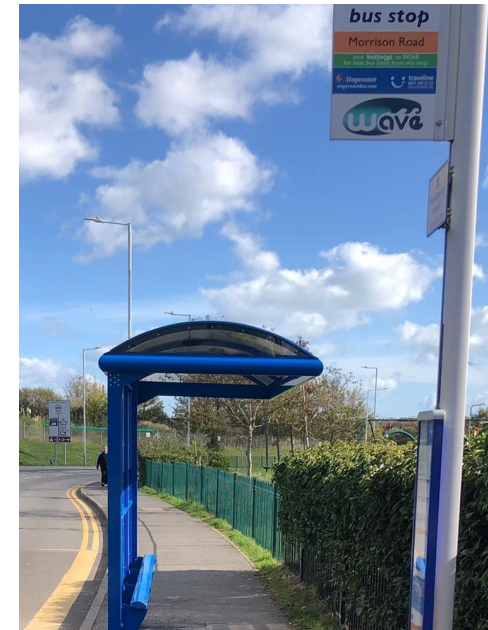

We have spent less than previous years as many of the regular events we support did not take place.

Councillors did however earmark money from their ward grants to buy new salt bins, repair benches and match fund grant funding

secured by the Town Clerk from Kent County Council to provide new bus shelters.

All in all, a very stressful year, but thanks to all the staff for all their hard work in this very unusual year.

Councillor Roger West
Chairman

Committee Members 2020/21: Councillors David Horton, Connor McConville, Abena Akuffo-Kelly, Michelle Keutenius, Richard Wallace, Roger West and Tim Prater.

NEWS IN BRIEF

As we look back on 2020/21

2020 started with a business as usual but lead to us locking the doors of the Town Hall in March and moving to working from home due to the coronavirus pandemic.

Having got the technology in place, emergency procedures set-in to allow services to still operate wherever possible, this meant planning applications being sent to members electronically for comments to be collated, ward grants and account payments being approved using my scheme of delegation in collaboration with the Mayor and the Chairman of Finance & General Purposes and virtual meetings being held.

Sadly, several civic and community events and activities had to be cancelled but we all needed to work together to stay safe and support all key workers who I would like to take this opportunity to thank for all their hard work. I would also like to thank our members who have been an incredible support to me personally over the past few months and who have adapted well to the new ways of supporting their constituents.

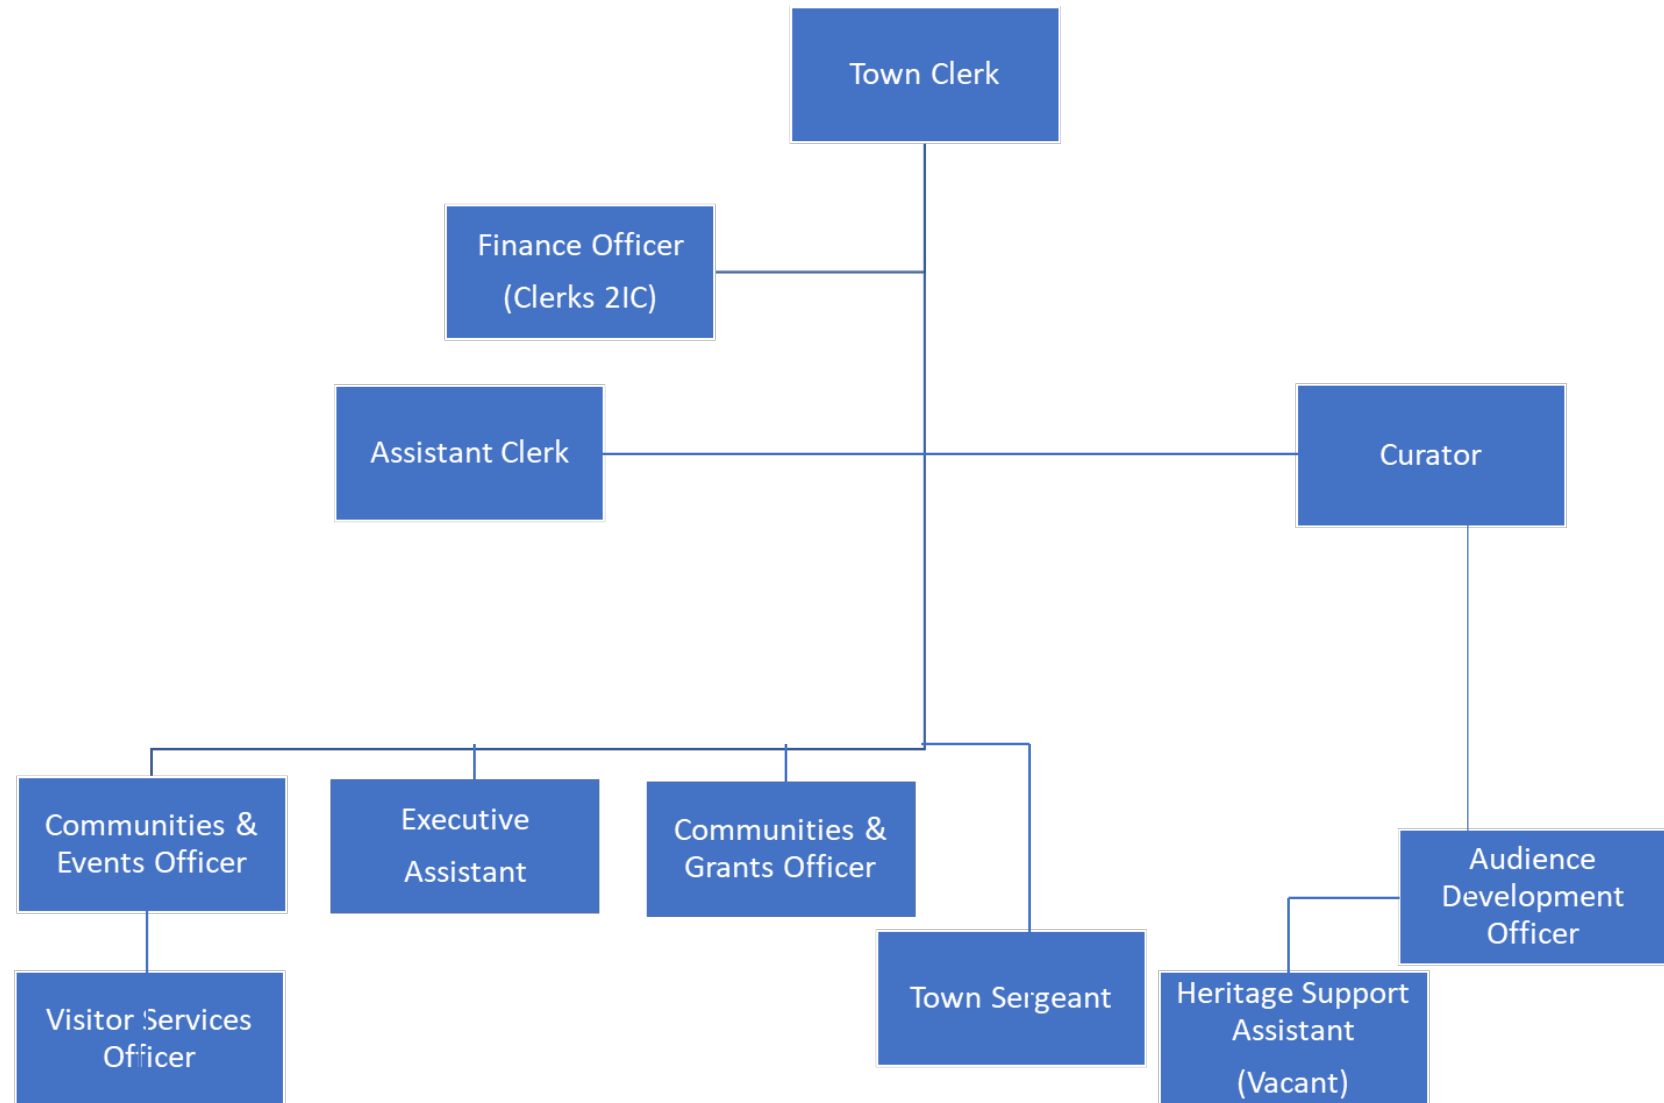

But, most importantly, I would again like to thank my small team of Officers who work tirelessly to deliver the aspirations of the town each and every year, and who have adapted or been redeployed to support the community during the pandemic without hesitation, it again highlights their true passion for their town and their can-do spirit; they are all a real credit to Council, and as I have always maintained it would be impossible to provide a first class service to the town without their skill, commitment, loyalty and support.

Please all stay safe and well.
