

Safer Streets 5 – Free Bystander Training Sessions in Swale and Folkestone & Hythe

As part of our local Safer Streets activity, we are pleased to announce our upcoming programme of free training sessions to be delivered by specialists from Cultivating Minds UK.

Bystander Training is all about equipping you with the skills to intervene and prevent harmful situations. Learn how to recognize, react, and support others in difficult circumstances.

To book your tickets, please follow the QR codes below (further dates will be made available over the next few months):
