

Folkestone Library Update

Some good news! Folkestone Library will reopen to the public from Monday 24th May, following the decommissioning of the successful Covid-19 test centre that was previously based on the site before it closed at the end of April 2021.

From next Monday 24th May, book browsing and borrowing, Public access PCs and Wi-Fi, and access to our local history collection will be available from 10am – 4.30pm on Monday to Saturday.

Unfortunately, there are still some issues in respect of the building, meaning that birth registration appointments are not currently able to be offered at Grace Hill. As a consequence, daily appointments are now available at Hythe Library on Tuesday to Saturday as an alternative within the District. It is hoped that this can be sorted out as soon as possible once any works required on the building have been investigated and carried out.
