

Councillor Michelle Keutenius

My name is Michelle, Kent born and bred. I grew up on the Romney Marsh, slowly moving up the district throughout my adulthood, I moved to Folkestone in 2008.

I am a wife and mother to a blended family of 8 children. I am a Trade Unionist and active within the Trades Union movement as a delegate to the local Trades Union Council. I have a keen interest in History and Gardening.

I became involved in local politics after seeing injustice growing around our communities and first-hand and wishing to make a positive change for the many. In 2019 I was honoured to be elected to represent my local community as a Councillor for Folkestone East.
