

COMMUNITY MINIBUS FOR HIRE

Folkestone Town Council has a fully accessible minibus available for hire, specially aimed at voluntary organisations, sports clubs, community or faith groups, schools and charities etc based in Folkestone.

The minibus has 10 seats (plus the driver) or 7 and 1 wheelchair and is fully electric, which means it is better for the environment with lower carbon emissions, saving on fuel costs with no congestion charges.

The Community Minibus runs under a Section 19 permit, for vehicles which are adapted to carry no more than 16 passengers (excluding the driver) and can be hired for half or full days. Hiring a minibus can be so much easier for your group than the expense and hassle of maintaining a vehicle which may not be used that often.
