21/0992/FH/PA	Houghton House, 16 Radnor Park Road	Determination as to whether the prior approval of the Local Planning Authority is required under schedule 2, part 20 - class A (General permitted development order 2015) for the enlargement of a block of flats by construction of two additional storey's for 4 apartments re-submission of 20/2022/FH/PA.	2.6.21	Planning Application: 21/0992/FH/PA (force.com)	Previous comment	We believe that prior approval of the Local Planning Authority should have been required, as it's not simply converting a block of flats into 6 apartments, but a full blown construction of two additional storey's to enlarge the block. Cllr Mary Lawes objected. This is over development, over occupation and over population. Too many HMO, bedsits and flats. This would be detrimental to a small area that has lost family homes.
