As Council's proper officer under Section 101 of the Local Government Act 1972, it is recommended that the Town Clerk be given further delegated authority to make decisions and act on behalf of and/or in the best interests of the Council within the constraints of Council's financial thresholds, with the exception of those decisions which are reserved exclusively for Full Council, such as setting the precept, appointing the Chairman and approving the AGAR. If possible, the Town Clerk should liaise, in whatever format she deems appropriate, with members to seek their views.

**FOLKESTONE TOWN COUNCIL
STATEMENT OF INTERNAL CONTROL
FOR THE YEAR ENDING 31st MARCH 2021**

1. SCOPE OF RESPONSIBILITY

Folkestone Town Council (the Council) is responsible for ensuring that its business is conducted in accordance with the law and proper standards, and that public money is safeguarded and properly accounted for, and used economically, efficiently and effectively.

In discharging this overall responsibility, the Council is also responsible for ensuring that there is a sound system of internal control which facilitates the effective exercise of the Council's functions and which includes arrangements for the management of risk.

2. THE PURPOSE OF THE SYSTEM OF INTERNAL CONTROL

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of the Council's policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically.

The system of internal control has been in place at the Council for the year ended 31 March 2021 and up to the date of approval of the annual report and accounts and, except for the details of significant internal control issues at section 5, accords with proper practice.

3. THE INTERNAL CONTROL ENVIRONMENT

The Council:

The Council has appointed a Town Mayor, who is responsible for the smooth running of Full Council meetings and for ensuring that all Council decisions are lawful. A Chairman is appointed by each of its Committees to assume similar responsibilities.

The Council reviews its obligations and objectives and approves budgets for the following year at its December Finance and General Purposes Committee meeting. The January meeting of the Full Council approves the level of precept for the following financial year.

The Full Council meets seven times each year and receives the minutes of each of its Committees for monitoring purposes.

The Council carries out regular reviews of its internal controls, systems and procedures.

Clerk to the Council / Responsible Financial Officer:

The Council has appointed a Town Clerk who acts as the Council's advisor and administrator. The Clerk is the Council's Responsible Financial Officer and is responsible for administering the Council's finances. The Clerk is responsible for the day to day compliance with laws and regulations that the Council is subject to and for managing risks. The Clerk also ensures that the Council's procedures, control systems and policies are adhered to.

Payments:

All payments are reported to the Finance and General Purposes Committee. Two signatories of the Council must authorise payments, except where a scheme of delegation is in place, and sign each cheque (where this method of payment is used).

Risk Assessments / Risk Management:

The Council carries out regular risk assessments in respect of actions and regularly reviews its systems and controls.

Internal Audit:

The Council appointed an independent Internal Auditor who reported to the Council on the adequacy of its:

- records
- procedures
- systems
- internal control
- regulations
- risk management
- reviews

The effectiveness of the internal audit system is reviewed annually.

External Audit:

The Council's External Auditor, PKF Littlejohn LLP, submits an annual Certificate of Audit, which is presented to the Finance and General Purposes Committee.

4. REVIEW OF EFFECTIVENESS

The Council has responsibility for conducting an annual review of the effectiveness of the system of internal control. The review of the effectiveness of the system of internal control is informed by:

- the Full Council and its Committees;
- the Town Clerk / Responsible Financial Officer who has responsibility for the development and maintenance of the internal control environment and managing risks;
- the independent Internal Auditor who reviews the Council's system of internal control;

- PKF Littlejohn LLP, the Council's external auditor, who makes the final check using the Annual Return, a form completed and signed by the Responsible Financial Officer, the Town Mayor and the Internal Auditor. The external auditor issues an annual audit certificate;
- the number of significant issues that are raised during the year.

5. SIGNIFICANT INTERNAL CONTROL ISSUES

No significant internal control issues were identified during the 2020/21 financial year.

Whilst no significant internal control issues were identified during the year the Council strives for the continuous improvement of the system it has adopted for internal control and has addressed all the minor issues and weaknesses raised and reported during the review process.

The Annual Governance and Accountability Return constitutes the annual return referred to in the Accounts and Audit Regulations 2015. Throughout, the words 'external auditor' have the same meaning as the words 'local auditor' in the Accounts and Audit Regulations 2015.

*for a complete list of bodies that may be smaller authorities refer to schedule 2 to the Local Audit and Accountability Act 2014.

Guidance notes on completing Part 3 of the Annual Governance and Accountability Return (AGAR) 2020/21

- The authority **must** comply with *Proper Practices* in completing Sections 1 and 2 of this AGAR. *Proper Practices* are found in the *Practitioners' Guide** which is updated from time to time and contains everything needed to prepare successfully for the financial year-end and the subsequent work by the external auditor.
- Make sure that the AGAR is complete (no highlighted boxes left empty), and is properly signed and dated. If the AGAR contains unapproved or unexplained amendments, it may be returned and additional costs will be incurred.
- The authority **should** receive and note the Annual Internal Audit Report before approving the Annual Governance Statement and the accounts.
- Use the checklist provided below to review the AGAR for completeness before returning it to the external auditor by email or post (not both) no later than 30 June 2021.
- The Annual Governance Statement (Section 1) must be approved on the same day or before the Accounting Statements (Section 2) and evidenced by the agenda or minute references.
- The Responsible Financial Officer (RFO) must certify the accounts (Section 2) before they are presented to the authority for approval. The authority must in this order; consider, approve and sign the accounts.
- The RFO is required to commence the public rights period as soon as practical after the date of the AGAR approval.
- Do not send the external auditor any information not specifically requested. However, **you must inform your external auditor about any change of Clerk, Responsible Financial Officer or Chairman, and provide relevant authority owned generic email addresses and telephone numbers.**
- Make sure that the copy of the bank reconciliation to be sent to your external auditor with the AGAR covers all the bank accounts. If the authority holds any short-term investments, note their value on the bank reconciliation. The external auditor must be able to agree the bank reconciliation to Box 8 on the accounting statements (**Section 2, page 5**). An explanation **must** be provided of any difference between Box 7 and Box 8. More help on bank reconciliation is available in the *Practitioners' Guide**.
- Explain fully significant variances in the accounting statements on **page 5**. Do not just send a copy of the detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include complete numerical and narrative analysis to support the full variance.
- If the external auditor has to review unsolicited information, or receives an incomplete bank reconciliation, or variances are not fully explained, additional costs may be incurred.
- Make sure that the accounting statements add up and that the balance carried forward from the previous year (Box 7 of 2020) equals the balance brought forward in the current year (Box 1 of 2021).
- The Responsible Financial Officer (RFO), on behalf of the authority, **must** set the commencement date for the exercise of public rights of 30 consecutive working days which **must** include the first ten working days of July.

Section 3 – External Auditor's Report and Certificate 2020/21

In respect of

Folkestone Town Council

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2021; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

2 External auditor's limited assurance opinion 2020/21

Internal Auditor's Report to the Council on the Accounts for the Year ended 31 March 2021

I certify that I have examined the Statement of Accounts and associated accounting notes on pages 4 to 12 of Folkestone Town Council, which have been prepared by the Responsible Financial Officer in accordance with the Accounts and Audit (England) Regulations 2011 and CIPFA Accounting Guidance Notes for Local Councils.

I have carried out an examination in accordance with relevant auditing standards, and my agreed audit programme. I have had due regard to the internal audit obligations and responsibilities as set out in the council's annual return.

The audit included examination, on a test basis, of evidence relevant to the amounts and disclosures in the Statement of Accounts, sufficient to give reasonable assurance that the financial statements are free from material misstatement.

In my opinion, the Statements of Accounts present fairly the financial position of Folkestone Town Council as at 31st March 2021 and its Income and Expenditure for the year then ended in accordance with the requirements of the Accounts and Audit (England) Regulations 2011 and CIPFA Accounting Guidance Notes for Local Councils.
